

MEDICAL DEVICE CORRECTION NOTICE
C-2016-59

February 23, 2017

Smith & Nephew, Inc. has initiated a Field Correction for several lots of Disposable Kits for Patient Positioning due to a labeling error. The provided label does not reflect the current legal manufacturer and when applicable, the current CE Mark. The product label incorrectly lists TENET Medical Engineering as the legal manufacturer, with TENET CE Mark when applicable, as opposed to Smith & Nephew.

Please see product details below:

Product No	Description	Lot	Shipment Dates
72202931	SPIDER ANKLE STABILIZATON KITS	See Attached	February 2016 through September 2016
72203833	SPIDER2 SHOULDER STABLIZATION KITS		
7210559	DISPOSABLE FACE MASK		
7210573	KIT STABILIZATION SHOULDER		
7210574	KIT STABILIZATION ELBOW		
72201550	SMALL WRIST STABILIZATION KITS		
72203238	LEG STABILIZATON KITS		
72203300	SWITCH DRAPE		

Potential Risk with Use of the Product

There is no risk to patient or user due to this product mislabeling. The only affected labeling information is the CE mark and 'manufactured for' section. All expiration dates and manufacture dates are still correct. All information critical to use of the product is unaffected.

Actions for Hospital Representatives

1. Please inspect your inventory and complete the attached Inventory Correction Certification Form.
2. If you have the affected products, please maintain awareness of this notice.
